

~Pedro Award~

In 1977, the Yuba-Sutter-Colusa United Way began to receive a modest monthly contribution paid in cash, with a note stating, "To help others," signed Pedro. A year later, it was decided to borrow the Pedro name for a very special United Way award, this being the only award of its kind, recognizing an individual's lifetime of caring for others.

Pedro symbolizes the compassion of an individual for others. He symbolizes the tireless efforts of countless volunteers who strive to build a better community for all of us.
