

It is with great pleasure to welcome you to "United Way 2026 -Better Together," our strategic plan for Yuba-Sutter-Colusa United Way.

This plan focuses on a renewed effort to further expand on our scope of work in being a leader in providing services for people in need, in concert with our local 27 non-profit partner agencies.

As part of the United Way Worldwide network of more than 1,100 locations, our Yuba-Sutter-Colusa United Way has autonomy to provide the programs and services identified as most needed in our area.

We are extremely fortunate to have members of our Board of Directors, staff and volunteers who work hard in our communities to host fundraising events, provide community resources, and make sure we partner with dozens of non-profit and governmental agencies to deliver meaningful community impact.

At United Way we know that when we work alongside others, we will produce positive outcomes. We cannot support our mission without all of you and ask for your continued partnership and cooperation in making Yuba, Sutter, and Colusa counties the leader in being "Better Together."

On behalf of the Board of Directors and our staff, Bob Harlan and I thank you for giving your valuable time and resources, and for joining us in our focused journey for the next several years.

In 1887, a Denver priest, two ministers and a rabbi recognized the need for cooperative action to address their city's welfare problems. The Rev. Myron W. Reed, Msgr. William J. O'Ryan, Dean H. Martyn Hart and Rabbi William S. Friedman put their heads together to plan the first united campaign for ten health and welfare agencies. They created an organization to serve as an agent to collect funds for local charities, as well as to coordinate relief services, counsel and refer clients to cooperating agencies, and make emergency assistance grants in cases which could not be referred. That year, Denver raised \$21,700 and created a movement that would spread throughout the country to become the United Way.

136 years later, United Way is still focused on mobilizing the caring power of communities and making a difference in people's lives in more than 1,800 regions nationally and internationally, providing billions in aid to people in need.

Our local United Way began as the Yuba-Sutter United Way in 1968 and steadily grew as it added "partner agencies" representing nearly all areas of service to people in need. Funding was raised through giving campaigns, along with designated giving from employees of local business and governmental bodies on a year-around basis.

Funds raised are shared, minus a modest overhead cost and internal program costs, are divvied up between internal and program costs and our partner agencies, with the amounts given to partners through discussions of a community-based committee.

Over the years, our local United Way has continued to provide funds to partner agencies based on designations by donors, supplemented by a pool of funds determined each year by the board of directors.

While Colusa County has been part of the footprint of our local United Way for many years, it was officially added to the name in 2017 to form the Yuba-Sutter-Colusa United Way.

Today, a board of directors of 19 highly-regarded members and our two-person staff, work to better our community.

What we do

Due to the ever-increasing need for assistance, we have a growing list of programs to assist our residents.

<ul> <li>Our local United Way office annually fields more than 500 telephone, website and social media requests for help with rental payments, utility payments, food distribution locations and many other critical needs.</li> <li>Over the last three years we have provided over \$41,000 annually to Yuba-Sutter Food Bank and local food pantries from our Summertime "Cash for Food Drive" and November Turkey Drive.</li> <li>For 25 years, YSC United Way has been the lead agency for Yuba and Sutter Counties for the Federal Emergency Food and Shelter Program, which over the past five years alone has brought \$1,700,000 to our region for the Food Bank, local food pantries, Casa de Esperanza, Salvation Army, the Regional Emergency Shelter Team (REST) and the Life Building Center.</li> <li>Our "Community Resource Fair" each May draws 600 members of the public to personally meet with some 75 local non-profit and governmental agencies who provide low cost and no cost programs and services for residents.</li> <li>In its first year, we welcomed over 80 families into our "Born Learning Academy" in partnership with Yuba City Unified School District and Marysville Joint Unified School District with support from local First 5 Children and Families Commissions. Some 100 families will take the course in the 2023-24 school year as parents learn to be their child's first teacher.</li> <li>YSC United Way is setting up the first Yuba-Sutter "Volunteer Organizations Active in Disaster" (VOAD).
